White

# Rally for Life

**SATURDAY 13 OCTOBER at 2pm**

Meeting at Speakers' Corner (outside  
Parliament House), 15 George St, Brisbane

We assemble at Parliament  
House for a RALLY.

We RALLY for the UNBORN, for proper  
care for pregnant WOMEN and for the  
GENERATIONS to come.

We RALLY AGAINST the  
LATE-TERM ABORTION BILL.

Cherish Life Qld will supply all signage,  
please don't bring any signs

# PLEASE HELP STOP THE LATE-TERM ABORTION BILL *DUE FOR VOTE 16 OCTOBER*

The Termination of Pregnancy Bill is a brutal abortion-to-birth Bill which would effectively legalise abortion for any reason, at any stage of pregnancy. Here is a summary:

1

*Abortion for any reason to 22 weeks gestation.*

2

*Abortion from 22 weeks to birth, under a wide range of criteria including “social” reasons.*

3

*No safeguards for women considering abortion - no independent counselling, informed consent conditions or cooling-off period.*

4

*Sex-selective abortion would be legal.*

5

*Abortions to be done for free in taxpayer-funded public hospitals.*

6

*Doctors with conscientious objections must refer for abortion.*

7

*150 metre exclusion zone around abortion clinics.*

## What you can do to help STOP the Bill:

- **Connect with your state MP** — preferably through a meeting or letter asking them to reject this extreme Bill
- **Be engaged in media and social media** on this issue. Please write at least one letter to a state wide or local paper during this campaign. Letters to The Courier-Mail editor are sent to [letters@couriermail.com.au](mailto:letters@couriermail.com.au) (please keep it less than 250 words and include your name, address & phone no.)
- **Tell your friends & family this is happening** — a lot of people still don't know, if they did they would be horrified. Only 6% of Queenslanders actually agree with abortion up to birth.

## PLEASE ACT QUICKLY, THE VOTE IS DAYS AWAY.
